

Galbraith Consultancy

Galbraith are able to offer a comprehensive consultancy service to Resident Management Companies, Residents Associations, Freeholders, Property Professionals and Developers.

Our services extend far beyond Property Management and we are able to utilise our wealth of experience to act in an advisory capacity or provide support on issues that require more in depth knowledge.

We are able to call upon a number of in house service providers to undertake a number of services, including: **Company Secretarial Service, Property Related Legal Services, Building Surveying Consultancy and a Comprehensive Advice Line for Occupiers and Clients on**

Landlord and Tenant issues. We can also provide a Facilities Management Review in terms of Health and Safety Compliance and Contractor Management.

As part of our accounting support function we are also able to offer a complete financial health check on any aspect of the service charge accounting affecting a particular property or development or we can provide a full review service.
